

EDMOND NORTH HIGH SCHOOL BAND

2008-2009 Parent Volunteer Support

Your child is about to embark on the experience of a lifetime. Their participation is dependent on you-their parent(s) to provide the necessary “behind the scenes” support that keeps this program going. Many opportunities will arise throughout the year for you to lend support to optimize their band experience. Every Band Family and Band Student are required to donate their “Fair Share” of volunteer hours to the Band Program so we may continue to achieve the level of success in recent years. We are confident that you will find the experience of participating in band activities with your child to be very rewarding. Thank You, in advance, for your support!
